-----

The power provided to housing by Fort Bliss Installation has a tendency to fluctuate. This can cause damage to electronic components. Residents are advised to use surge protectors to protect electronic equipment (stereos, TV's, typewriters, computers, etc.) from damage caused by voltage fluctuations. It is the resident's responsibility to purchase surge protectors. **Fort Bliss White Sands Missile Range Housing LC** is not responsible for damage to appliances or equipment due to high or low voltage of power fluctuations.
